The Susan G. Komen foundation hosts this 3 mile walk/run every year in West Palm Beach to help support research for the fight against breast cancer and is a lot of fun to participate in. The race has become an annual tradition at Moore, Ellrich & Neal. With your help we can raise even more donations and support for a very important cause. Whether you come out and join us for the walk on January 28, 2012 or donate, we hope you know how much we appreciate your support. Thank you again and happy holidays! Please contact Karen Moore at the office (561) 624-0355 or by email for a new team T-Shirt. We look forward to seeing you out there! Registration is open at [www.komensouthflorida.org/2012rftc](http://www.komensouthflorida.org/2012rftc)

Sincerely,

The ME&N Staff
